

Dear community,

The arrival of the coronavirus (COVID-19) has brought significant challenges to us all. We are deeply concerned about the health and wellness of all who are impacted.

Our guests, employees and the community around us will always be our top priority. At BriDer Rotisserie we are closely monitoring the ever-evolving situation with COVID-19 and we remain committed to being transparent about our actions and keeping you updated as best we can.

We have taken the following steps to ensure safety for all:

- With respect to the government recommendations around public gatherings and social distancing, we have eliminated all in house seating: we are available for PICKUP or DELIVERY (via: Postmates, Grubhub, DoorDash, Foodee, and EzCater)

- In the public spaces of our store we have increased the frequency of our cleaning and sanitizing of all surfaces, including all “touchpoints” – places where customers or employees may come in contact with surfaces multiple times a day with effective sanitation products.

- Per our policy, we are continuing to make sure that our employees stay home if they are sick. (Everyone’s wellbeing is our top concern)

-We are continuously assessing the situation and working to make thoughtful decisions, moving quickly to adapt to any new information as it becomes available.

We thank you for your continued support through these challenging times, and are privileged to serve you. We look forward to continuing to do so now and in the future.

-The Team at  
BriDer Rotisserie
